

The background is a vibrant, abstract composition. A large, glowing sphere with a blue-to-purple gradient is the central focus, emitting a bright light that reflects on a grid-like floor below. The floor is composed of dark blue and purple squares. The background is filled with various geometric shapes, including triangles and rectangles, in shades of blue, purple, and pink. Dotted white lines form a series of concentric circles and arcs around the central sphere. A small blue plus sign is located at the center of the sphere. The overall color palette is dominated by deep blues, purples, and pinks, creating a futuristic and high-tech atmosphere.
